# SALMAGUNDI CLUB AUCTION

For over forty years the Salmagundi Club has held its Annual Auction, and with the passage of time these sales have become a tradition in the Club. Each year the artists of the Club contribute a representative example of their work to be sold at this Annual Auction. This generosity of the Artists and the loyal support of the lay-members has enabled the Salmagundi Club to carry on its many and varied cultural activities.

As auctioneers on these sales evenings, we have been fortunate in securing the services of prominent artist members of the Club who gladly donate both time and energy on these occasions. Here you will find the works of nationally known contemporary artists direct from their studios and in most cases exhibited here for the first time.

The Art Committee hopes that you will enjoy this 1941 exhibition and that you will be with us on the sales evenings.
